Admission: \$2.00
Poetry Center Members: free

JOHN BROCKMAN has directed experimental projects on intermedia and environments for Lincoln Center, The New York State Council on the Arts, and several corporations, including General Electric and Scott paper. Most recently, he has masterminded the launching for the new movie "Head" (Columbia Pictures). In September he went to Cape Cod and in three days wrote his first book, "By the Late John Brockman," which Macmillan will publish next August. He is twenty seven years old.
